REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: The present application relates to a picture encoding method and apparatus and a picture decoding method and apparatus which can make a recovery from the adverse effect of an error as fast as possible without degrading the encoding efficiency when transmitting/storing encoded data through a transmission path susceptible to errors. The various cited prior art of record does not anticipate or render the claims obvious with regard to the recited features of a second encoding step of generating a reference picture code stream by encoding a reference picture signals, which are retrieved directly from the reference memory and a multiplexing step of generating an output code stream by multiplexing the video code stream with the reference picture code stream as shown in figure 11, elements 110-113-114-115-106 and as specified in claims 1, 3 and 5 (formerly claims 1, 5 and 22).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Nhon T. Diep whose telephone number is 571-272-7328. The examiner can normally be reached on m-f.
